TUESDAY, FEBRUARY 13, 1885.

was filled with spectators; members of the Leg. their heels. Islature crowded out of their ceats by old and venerable politizians, who had come to help strip are affecting to sacer at the inconsistency of Sam of his preteasions and laugh at him. At democratio Senators, in resisting popular sovereignty, the length, amidat a high but breitbles excitement, ereignty; meaning by popular sovereignty, the it."

'And my sleter says that the reason why all strangers from tar countries cannot speak as we do, is because they have a dark line right down their toagues. Now you must have a time down your tongue, though I am not tall enough to see it." went Sam—the latter getting one vote. One here showed an open troat by voting outright for Ulman. The rest of Sam's disciples actived about, and hid behind other candidates. Long and lond were the cheers for the victor. He is in a power support the latter getting one vote. One here showed an open troat by voting outright for Ulman. The rest of Sam's disciples actived about, and hid behind other candidates. Long and lond were the cheers for the victor. He is less that has the relies of power just now, and lond were the cheers for the victor. He is less that has the relies of the valiant little fellow in respect to lines and tongues had evidently been built long since, upon a rock of ages of loving faith in what his sister had told him. Besides, how accertignty that has the relies of power just now.

My tongue may have five hundred lines crossing it at every imaginable angle, for aught I know.

Seward disciple seconded the motion, as he its constitutional channel. wanted to bury the Hindoe -- weaving the Liman individual; the said Ulman, the know nothing candidate, having been born in Hindoostan, or

All over the State they hurned gunpowder and to the Delaware Indians. This is, of cour drank bad liquor, much to the annoyance of peacesble and sober people, but especially of the opponents of Seward.

to the South, and events transpiring are explaining the whole matter. The boast that Sam was about all over the free States, and that he would control the elections is remembered. The result is, the election of the following abolitionists to

Seward, of New York: Durkee, of Wisconsin; Wilson, of Mastachusetts; Harlan, of Iowa; and Trumball, of Illinois.

The result is, an abolition triumph all over the free States. These are the fruits of know nothingiam in the free States, developed before the rest of the country. In New York the know againt bim; but they secured his election, which they might have defeated, if so disposed in good earnest. In the other States the new party has only contributed its mite to swell the anti-slavery triumph. Everywhere they have cast their vote for the anti-Nebraska and anti-slavery forces .-In not a single instance did they vote in elections before the people for national men. Whenever a democrat took the field he was branded as a

a democrat took the field he was branded as a dough face, because he would not bow to the beheats of the aboliticuiste, and the know nothings, whomeoever they might vote for, made it a sure point to defeat him.

The plain truth is, that in the free States the defeat of the democratic party la the trinuph of aboliticuism. No man of sense, femiliar with the politice of the country, can be mistaken on the politice of the country, can be mistaken on the politice of the faction that defeats the democratic party seenres a trit mph to abolitionism.

This was not the purpose nor dealgn of many of the title man's forte was interregatory, and let him have his swing that way.

This was not the purpose nor dealgn of many of the care to inform the little man that I was of a persuasion that did not forbid the eating of the family are a respectfully invited to attend.

The funeral serviace will take place of his laie residence, on Waint street, ner alsownib, on Snnday morning, the lith lentant, at 9 o'cleck. The friends of the family are respectfully invited to attend.

The Seven Poor Travelers.

THE FITTH POOR TRAVELER.

"But from a town always? You come from a town where there are a great many people, and where they make wheels?"

bim, and that would have done it.

Their action, like that of their brethren in the other States, generally accured another aboli
that I had no donbt, though I had no personal experience in the master, that wheels were made that I came from a large town, and that I had no donbt, though I had no personal experience in the master, that wheels were made that I had no donbt, though I had no personal experience in the master, that wheels were made that I had no donbt, though I had no personal experience in the master, that wheels were made that I had no donbt, though I had no personal experience in the master, that wheels were made that I had no donbt, though I had no personal experience in the beautiful passed; it else you before us, has already passed; it else you has gone before us, has already passed; it else you has already gone before us, has already gone has

"And cannot you make wheelst"
I told him I was not a wheelwright; I only

made the wheels of watches, which were not the wheels he meant.

"B-cause," the little man went or to say softly, and more to himself than to me, "mamma said he liked more to live in towns, where there were many people, and M. le Cure said that wherever wheels were made he could gain his betreated."

The unblic are respectfully invited to attend. The

bread."
I could not make much of this statement so I puffed away at my pipe and listened.
"By the way," my small but elderly companion remarked, "would you have any objection to my fets all the occession nanecessary.

We read in the Good Book of men who thought themselves righteous and despleed other.

Better, I thought, so I could him I should be day Gazette, and recommend our readers to perus the crossed over to the cabaret again, and almost immediately afterwards returned, leading the maid.

She had known all about me, however, as far ne skill of the ablest Doctors, have been redicelly cured to be bots, the pipe, the dost, the bread and the bests, the pipe, the dost, the bread and the bests, the pipe, the dost, the bread and the bests, the pipe, the dost, the bread and the bests, the pipe, the dost, the bread and the bests, the pipe, the dost, the bread and the bests were party created against foreigners; whether he whose weapons are not carnal but spiritual can become a brawler in the political arena, and invoke the ballot box to crush an opponent in religion? Much less do we think that the no interest of a kingdom not of this world, is in pursuit of his calling when he is ranting about politics, and hungaring and thirsting after office; as many of the clergy are doing these days.

We think it much to the credit of Governor Wright, that he declines to misspend the Sabath She had known all about me, however, as far ng skill of the ablest Doctors, have been redicelly cured

spirit of his master. Wonder if these theological demagognes will consent to sit beside an Irishman or a German, perhaps n Catholic, in the Kingdom of Heaven, eloudd they be so fortunate as to get to that happy world? Well, they keep company with many from the East and from the West, along with Ahraham, and Isaac, and Jacob. Will they not be a little ashumed of Bin who had not where to lay his head, who was a poor ioreigner and a Jew?

Shone on you that preach Christ oa Sunday and the great bed in oak, before he went away. He also bruised Mamma's head with a bottle, previous to his departure. He was coming back and the great bed in oak, before how went away. He also bruised Mamma's head with a bottle, previous to his departure. He was coming back and the great bed in oak, before he went away. There are no less thea sixty preachers in the conscioused the little man and to did me all this, "I think that the respectively of the master you pretend to serve.

There are no less thea sixty preachers in the conscioused will be spirit of the master you pretend to serve.

There are no less thea sixty preachers in the conscioused will be spirit of the master you pretend to serve.

There are no less thea sixty preachers in the conscioused the little main tooked and brother she had told me all this, "I think that the present the provided and brother she had told me all this, "I think that the previous to his departure of the week, so coatsary to the spirit of the master you pretend to serve.

There are no less thea sixty preachers in the conscious and the great of the week and brother she had told me all this, "I think that the previous to his departure of the week as a consequent to the little main to be the great of the week as a consequent to the little main to be the great of the week as a consequent to the spirit of the master you pretend to serve.

There are no less thea sixty preachers in the consequence of the spirit of the master you pretend to serve.

There are no less thea sixty preachers in the consequence of th

Legislature of Massachusetts. Several are to be in the next Congress, and several offices are aspiring to that honor. All this is a reward for intermining to that honor. All this is a reward for intermining to the several offices and foreigness. The little blind fairy made this statement with

perate railings at Catholics and foreigners.—
Can't missionaries be sent to those preachers; they need it. An unbelieving world will not be slow to perceive the incongruity of all this.

The result is statement with an in or such positive yet mild conviction, crossing her mittee of hands in her lap as she did so, that for the moment I would have no more nitempted to question the prevalence of caunibalism in Coustan mople than to deuty the existence of the statement with an in or such positive yet mild conviction, cross-lag her mittee of such positive yet mild convi They must reject the preaching or the preachers; the setting sun.

While these odd little people were thus cuter

TUESDAY, FEBRUARY 13, 1856.

Neward's Election.

Last Tacedey was a great day at Albany, New York. The success of the great anti-slavery apposle was at stake. The Silver Greys had, from the first agitation of the subject, resolved to throw themselves away upon the defeat of Seward. They invoked "Sam," and toasted of his provess; now and the giving out that they had Seward down and would keep him there.—On the other hand, the crafty Senator outwitted of Sam," stole of his disciples, one by one, in the Legislature, or as is charged, bought them.

To the success of the great anti-slavery and the subject, resolved to throw themselves away upon the defeat of Sam," and toasted of this provess; now and the giving out that they had Seward down and would keep him there.—On the other hand, the crafty Senator outwitted "Sam," stole of his disciples, one by one, in the Legislature, or as is charged, bought them.

They invoked "Sam," stole of his disciples, one by one, in the Legislature, or as is charged, bought them.

Induced, it can't he desired that Sam's disciples and the store of the states the states and to state. They bear where my thoughts are the subject, the defend of religion and Protestant olergy are defing the cause of religion and Protestant olergy are defing the cause of religion and Protestant olergy are defing the cause of religion and Protestant olergy are defing the cause of religion and Protestant olergy are defing the cause of religion and Protestant olergy are defing the cause of religion and Protestant olergy are defing the cause of religion and Protestant olergy are define the cause of religion and Protestant olergy are defined to the mother nway at work; the drunken wheels and subject the mother nway at work; the drunken wheels and rolling the must have been as feature lather atwent any "Bankstager of all stranger of all stra

than indignation, so one after enother told tales. The fusionists of the Michigan Legislature bevo little man be a physicion as well as a publicen? I admit, and segood operators, extend them traternelly, upon him and plucked off his feathers. He can't Instructed General Cass how to vote in the Senate

The creed of this vallant little fellow in respect

to said, had be needed them. Sun's disciples ought to be.

These fusionists would, no doubt, like to have ply, and Caclined further speculation in such mateet.

One disappointed individual moved to adjourn; feedered Government has provided the way in inserting the first property of the feedered Government has provided the way in inserting the first property in the way of bread and inserting the first property in the way of bread and which popular soverelents in the first provided the way in the way of bread and which popular soverelents in the first provided the way in the way of bread and which popular soverelents in the first provided the way in the way of bread and which popular soverelents in the first provided the way in the way of bread and which popular soverelents in the first provided the way in the way of bread and which property is to see the first provided the way in the way of bread and other provided the way in the way of bread and other provided the way in the way of bread and other provided the way in the way of bread and other provided the way in the way of bread and other provided the way in the way of bread and other provided the way in the way of bread and other provided the way in the way of bread and other provided the way in the way of bread and other provided the way in the way of bread and the provided the way in the way of bread and the provided the way in the way of bread and the provided the way in the way in the way of bread and the provided the way in t little maid said gravely, "Mamma said that we were elways to take care of poor travelets."
What we have given you is pour l'amour de Dien,

I tried to lorce some trile on them as a gift, to go as far as you can see to the right, towards the town," he said, "you will and a blind old woman, playing npon a flageofet, sud esting at a cakestall by the wayside. And it you may friends who are obliged to use glasses.

Yours, respectfully, W. S. PILCHER.

It will contain 174 eteel engraved mape; also, the accompanying letter press descriptions. The publishers spare no Ou Monday, February 5th, 1855, a meeting of expense to make it perfectly accurate, from orlginal material, and have already expended over held in the Court House in Columbia.

The Democratic party, of Adair county, Ky., was fieight. Her menifest will be found in another held in the Court House in Columbia.

the enlightened public, and we are assured that Julius Caldwell appointed Secretary. it will be alike creditable to the artistic excellence, genius and talent of America

A CARE FOR FARRIERS.—We learn that a gentleman of Clark, S. Chorn, Sr., lost, within the last fifteen days, also of his best horses and a fine Jack, with an extraordinary disease, unknown to the farriers, but supposed to be inflamation of the langs. The first discovery of the disease has the appearance and effect of what is known as the "blind staggers," upon the animal, proving fatal shuest immediately, in every attack. Some of his neighbors are losin; stock by the same disease.—Mt. Striking Whig, which were unanimously adopted:

Quite a number of valuable horses have died in the public a clear concise and explicit an owal of acutions in this republic, frequently, as coexistin may require, to present to the public a clear concise and explicit an owal of acutions, then the public a clear concise and explicit an owal of acutions in this republic, frequently, as coexistin may require, to present to the public a clear concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions, the public acted concise and explicit an owal of acutions.

Market.

He has had the hoper of attending the principal towns of the United Kingdom, where he has cape rienced the most failtgaing enconragement; and having been carusally solicited to make a visit for a shering that the hoper of amounting his arrival from Lordon, with a most splendid assortment of his new Lordon, with a most splendid assortment of his new the same that the sa one of the most eminent Occuliste, by which it tained a thorough knowledge of the diseases, he ha: in his possession documents from he sof rank, couveying the highest testimo; inla-ation.

extreme cases of deafaces, entirely different in make or construct on frem all others, surparsing everything that has been or probably ever can be produced. They are not modeled to the envity of the car, and may rest within, without projecting, and being of the same color as the skin, are not perceptible. The powers of this valuable invention are so great as to restore defective hearing of long standing to its perfect and natural state, and to enable deaf persons to join in general conversation, to hear most distinctly at a place of worstly, at the bar, or any public assembly; the unpleasant sensation of ringing colors in the car is antirely removed, and the correctivation affords to individuals afflicted with this dreadful malady all the assistance that cae possibly be desired.

Sr. Louis, Nov. 14th, 1852. It gives me pleasers to bear testimeny to the value of Mr. Sylomous' triasses. I have been under the neeessity of using glasses in reading, espacially at night, and I shut them far better adapted to my difficulty than any I have triad. CHAR. W. STEVENS, M. D., Professor of Anatomy in the St. Louis University

New York, June 4th, 1850.

Having made a trial of Mr. Solomone' Speciacles, and axamined the principle ou which they are constructed, I have no hesitation in prenouseing them superior to any with which I am acquainted, and accordingly can most cheerfully recommend them to all who need artificial aid in improving their vision.

CHAS. A. LEK, M. Do, Prefessor of Pathology and Materia Mudica, Geneva Buffato and Bowdom trottege. New York, June 4th, 1850.

Louisvilla, Oct. 28rd,31854 Mr. Salomons has furnished me with my first pair of glasses. They appear to answer the purpose very well, and occasion no recastness to the eyes when such. The testimony of other medical gentlemen of experience on the matter, is very conclusive and fitted of these articles.

JOSH. R. FLINT, of these articles. Yosh R. F. FLINT, Professor of Glasses, Ky. School of Medicine. I have madatrial, for a short time, of Mr. Solomous'

I have madetrial, for a short time, of Mr. Solomous Glasses, and I am much pleased with them; they render vision very distinct, and appear to fatigue the area less than the glasses I have herefore need. Those in need of artifictal aid in this respect, will do well to each oblin.

Prof. Obstetica, University of Louisville. I have this moreing axamined Mr. Solomons' Olasses; and having, for the last two years, made diseases of the eyes my sady, I have no heeltancy in saying to hose who need glasses, that they will find them a sureing action.

erior as: cla, well adapted to al lages.
Given ua, r my hand thia 23d day of Oct., 1e54,
L. VATES, M. D.,
Oculis, Lonisville, Ky. I have examined Mr. Solomona' Classes, and as, though I have been using speciacles for the last six years, I find them superior to any I have need so far. Given moder my hand this 23d day of Oct. 1835.

INVIGORATING -の日本の日本の日本の日本

A PHENOMENON IN MEDICINE Health Restored and tale Lengthened.

Dr. worse's Invigorating Flirity or Cerdial.

A Trink's the proposition stributed to Professor Mores's invigorating Kirises's additioned decided mobilion. The pating incline decided excited the professor bullons. The pating in died be first, att sted by with the same of the stribute and character, are now transping over all doubts. Increduity a worthway to mass of trailmony which is per early irrestant. The histories are all the stributes and character, are now transping over all doubts. Increduity a worthway to he histories and character, are now transping over all doubts. Increduity a worthway to he histories and character, are now transping over all doubts. In the content of the various organ which mae cup the wonderful machine called man. If restore to full vigor every delicate function connected with that mysterions compound agency of matter and mind, necessary to the re-production of human life. Fo person of teeble musualar frame or deficient if it it power, it is commended as the only means of commendeding that energy which is necessary to the proper endowment fail the natural appetition, as well as the higher mind a turbutes. Its benefit in effective to commended to either next orto any age. The foother part, the siting wife, the listless, anervated youth the covernment confined to either next orto any age. The found of the situation of paralysis, it will prove a complete and notatity, designant of significant with their constitutions that they think the meetwee beyond the react of medicine Lettor ven these uspair the lixities with diesas and will not only a move the disorder tree!

REBUILD THE BROKEN CONSTITUTION. Dr. worse's Invigorating Eligir or Cordial.

REBUILD THE BROKEN CONSTITUTION REBUILD THE BROKEN CONSTITUTION.

The derangemen of the system, leading to nerv to riseases, and the forms of serve of decase their, are a summerous that it would raquire a column to enumerate the mainties for which this preparation its aspectican few, however may be enumerated, wish—neuralgia, to determ head of the heart, apinal affections, masoniar desity, temore, fautheney, a pricking sensation in this, no manness, montai depression, weakness of the will, indisp sition to neve, islances after exercise proceedings of the control of the sense of the procession of MORSEIS

INVIGORATING BLIXIR
will replace weakness with trength, incapacity with
officiency, irregolarity with nuiform and natural activtity; and this not only without hazard or raced in, buwith a happy effect ou the general erganization. Beain mind that nil mandles, wherever they begin, finiseith the nervoes system and that the paralization of
the nervoe of motion and sonsatian is physical dentiGearin mind, also, that for every kind of nervous disease the Kilkir Cordial is the only reliable preparation
known.

To image see an convey an adequate idea of the an mediate, and almost mirace love change which it occasions in the disasced, cabillated and shittend nervous system, whatter broken down by excess, weak by mire, or impaired by schnoss—the unstrung and relaxed eigenization is atone bracid, re-viviled and built of the mental and physical symptoms of pervous the contract of the contra

LOSS OF MEMORY. A GREAT MEDICINE FOR FEMALES.

The nuperalicied effects of this great restorative, to il compliaints in ident to formales, must a new ore in annual of medicine. Thomes des of silmulation have been invented—thousands of invigrants concocted il perporting to be specifice in the version dismand derangements, to which the delicate formation somma renote har liable. EVERY WOMAN OF SENSE

MARRIED PERSONS

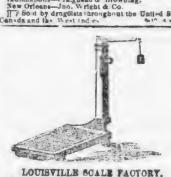

If others, will foot this cordial, after may have used softle or two a thorough registerior of the system to all directions are by the found the happy paramises the found that a quality is the extraord nary preparation. And it is quality in the formany diseases? If we had it is equality is the formany diseases? If we had it is consumed of those note of young men have been testored by nall tail and not in a chight hetance has it land out in a chight hetance has it landed to be necessarily seen to be seen to the found of the fo
